

# Platform - Dates

---

## Description

Currently dates can only be pulled from the API and cannot be set. All dates will be returned in the Unix timestamp format.

## Websites

Websites	Description
<a href="http://www.unixtimestamp.com/">http://www.unixtimestamp.com/</a>	Provides an easy interface to convert to and from the Unix timestamp.
<a href="http://en.wikipedia.org/wiki/Unix_time">http://en.wikipedia.org/wiki/Unix_time</a>	Provides a detailed description of the Unix timestamp.
